

Lorraine,

Thank you so much for writing a donation request letter for my Team in Training marathon campaign to raise funds for the Leukemia and Lymphoma society.

I really didn't know where to start and didn't have much time to spend on it but you worked with my schedule to get the information you needed, did research on your own time and delivered a perfect letter way ahead of schedule.

I could never have written anything half as good if I'd spent weeks on it but you got it right first go with minimal input needed from me and got it back to me in just a couple of days.

Sending the letter you wrote by mail and email is the only thing I have done so far to raise funds and it has resulted in over \$1,000 in sponsorships in just the first week with more coming in everyday.

I cannot thank you enough for your generosity in donating your time to write this for me and help raise funds for little Hailey.

Danie Ives
